A large, light green oval is divided into four equal quadrants by a vertical line and a horizontal line. The quadrants are labeled with numbers 1, 2, 3, and 4. The number 1 is in the top-left quadrant, 2 is in the top-right quadrant, 3 is in the bottom-left quadrant, and 4 is in the bottom-right quadrant. The lines are thin and light green, matching the oval's outline.
