

Welcome to class 4!!

Today we will work on something different.

First of all, write down the date in you copybook:

- Today it's Thursday, March 26th 2020
- It's autumn, and it's still a little bit hot.
- It's sunny

Today we will talk about our culture.

- ✓ I want to hear your sweet voices! So, take a look at page 11 in your book. We have already read all those biographies of people around the world. What If we tell the rest of the world about our culture?
- ✓ In your copybook, **write down a short biography talking about you own culture**. How is it here? Is Chile a multicultural country? Yes? No? Why? Follow the example of the texts on page 11 and write down your own, just a short writing just like the ones in the book.
- ✓ When you finish, **record yourself reading it**, I do not need to see you, I just need to listen carefully to your voice. You can send me an audio or a video.

To sum up:

- Write down a short biography about multicultural concept in your country.
- Record yourself reading it.

Send your writing and your reading to my email: pgutierrez@colegioingles.cl

Due date: Wednesday, April 1st 2020.

Due time: 12.00pm (I won't read anything after that time! You have plenty of days to do it, send me an email if you have doubts)

Stay home!!! Be safe, enjoy your family, eat a lot of mummy's food and take care of yourself. Miss Poulette will be waiting for you at school when you come back. Lots of love and virtual hugs! ☺
